

Minutes from the PPG Meeting: 18/1/21

- We need to update our website to let patients know we have temporarily suspended access to request prescriptions online for safety reasons, please continue to request these via email (patients.crimp@nhs.net) or ask your nominated pharmacy to request these on your behalf
- **Covid Vaccine** is being done at Bartlemas surgery at the moment, patients are being called up in order of cohorts and upon delivery of vaccinations, anyone that would like to volunteer to help with this if you can put your name forward and we will email this to the practice manager at the surgery
- Suggestion was brought up as to whether we should allow patients to book telephone appointments online – AK will look into this
- **Staff updates:**
Marta Gorska (Pharmacist) left in December and we have a new practice nurse Liz Gamlen who has joined us
